

Welcome to a paperless day

Turn this document into editable text.

Your original stays exactly as it is.

A simple document. A useful result.

1. Add a PDF, photo or scanned page.
2. Recognize the text on your computer.
3. Check the words and save to Word.

Keep important ideas easy to find.

Make corrections before you export.

Copy text into a letter, note or report.

No account is needed to get started.

English text recognition works offline.
