

Project estimate

A clear plan for preparing an editable document package.

Project summary

Prepare a concise document package from the supplied source pages. Keep the main headings, illustration and service table easy to read and edit.

From source pages to a reviewed result

Included services

The estimate covers preparation, a focused layout review and a final handover. Each service is listed separately so the scope remains clear.

Service	Hours	Estimate
Document preparation	4	\$240
Layout review	3	\$180
Final handover	1	\$60

Total estimate

\$480

Delivery notes

The final package should contain editable text and table cells, together with the original illustration. Please review names and amounts before sharing the document.

Estimates are illustrative. Confirm the final scope before work begins.
